TRILINGUAL PART QUALIFIED ACCOUNTANT

PROFILE

Highly-motivated accountant with over 4 years Big 4 experience, helping companies to prepare and submit statutory reporting, completion of tax returns and analysis of annual financial statements. I have deepened my knowledge of custody administration and financial products the last 2 years within the Customer Service team of CBL and I am now looking for an opportunity to go back to my original field by joining a team of passionate people who collaborate effectively to make the accounting compliance process faster, better and more cost-effective.

EMPLOYMENT HISTORY

- **08/2017 – Current : Customer Support Officer – Clearstream Banking Luxembourg – Luxembourg**
 - Investigating, monitoring, recording and resolving any issues/discrepancies raised by the customer
 - Preparing daily/monthly client reporting requirements
 - Daily reviewing failed / blocked securities and cash instructions
 - Working with experts across all business areas to prioritize issue resolution
 - Supporting the guidance of newly hired, less experienced staff
 - Ensuring proper escalation and follow through on claims payments
 - Building and maintaining internal and external client relationships
- **01/2016 – 07/2017: Senior Consultant – PwC Belgium – Brussels**
